

EVOLVING IN A NEW ENVIRONMENT

PROVIDING A SAFE, HEALTHY AND COMFORTABLE WORKPLACE SETTING AT BALLANTYNE

At Northwood Office, we continue to prioritize the safety, comfort and well-being of our customers while maintaining our buildings at the highest level. Our team is taking a proactive approach in considering all aspects to help drive success in a post-pandemic world.

HEALTH-FOCUSED ENHANCEMENTS INCLUDE:

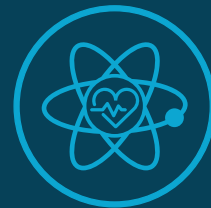

Automatic **door operators** with touchless wave plates

HVAC enhancements

Hand sanitizer stations

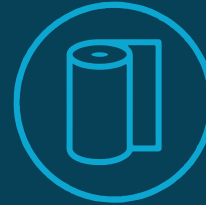

Ongoing **evaluation of new technologies** to enhance health & well-being

Enhanced **cleaning services**

Automatic **faucet and soap dispensers** in all restrooms

Automatic **paper towel dispensers** in all restrooms

We plan to carry out the above enhancements at all buildings while keeping in mind some properties have unique design components that may impact installation.
